CONFIDENTIAL

9 March 1955

The Honorable Rowland R. Hughes
Director
Bureau of the Budget
Washington 25, D. C.

Dear Rowland:

I have reviewed the draft letter attached to your note of 8 March 1955 and it seems to be entirely in order.

I spoke to General Cutler today about the problem of financing the Rockefeller Group, which we touched on the other day in your office, but without reaching any conclusion. Possibly we should have a word about this at your convenience.

Sincerely,

Allen W. Dulles
Director
